14th International PERI Construction Exercise 2022 | 2023

April 2022 | za

Dear Madams/Sirs

Have you already requested the documents for our competition? If not, then the beginning of the summer semester would be exactly the right time to do so.

The PERI Construction Exercise is a valuable additional qualification for training and studies. It promotes the ability to work in a team and the learnt knowledge can be applied on the example of a practical task.

We would also like to point out the cash prizes with a **total value of over € 20,000.**

The five best teams will be invited for the 2-day final qualification round that takes place in Weissenhorn.

I hope we can add your name to the list of participants very soon.

Best regards from Weissenhorn.

PERI SE

To All Educational Institutions for Civil Engineering and Construction Management

For the 14th time, PERI is organizing an international construction exercise that is targeted at all educational institutions that offer construction-related courses. This exercise covers many important aspects of the construction business. The goal is to deepen the knowledge of these topics using hands-on tasks especially in the work preparation phase and formwork technology. For realizing the exercise, **BIM technology** can be used.

Entries that comply with the rules will compete for the award of the

PERI - Prize

The total prize fund is more than € 20.000!

The contributors of the five best studies will be invited to the final qualification that takes place in Weissenhorn, Germany in November 2023. The students present their work to the auditorium. The jury will be comprised of renowned construction specialists. Who will then decide on the final placings during the 3-day event, which will also include an organized evening program for all participants.

The exercise can be executed in groups up to 5 people. The submissions, to be completed in English or German, are limited to 100 pages (including plans and layouts). Submitted entries will not be returned as they become the property of PERI. PERI receives the publication rights by mentioning the name of the author. Last date of entry is **31 July 2023** (date of postmark). The judges decision is final!
